

# HOW YOUR GIFTS TO UNITED WAY IMPACT PEOPLE'S LIVES

These examples provide some insight into how your giving creates lasting change that improves people's lives. Amounts listed are based on feedback from our partners on services supported through United Way's Community Care Fund.

**\$1.46** / WEEK

**REMOVING BARRIERS TO LEARNING:** Assists a student with special needs and their family with setting up an education plan that leads to increased proficiency and less behavior problems.

**\$3.71** / WEEK

**SUPPORTING THE MOST VULNERABLE:** Provides an advocate to protect the safety and dignity of residents in a nursing home or assisted care facility to ensure they receive quality care without fear of neglect or mistreatment.

**\$5.12** / WEEK

**IMPROVING FINANCIAL STABILITY:** Helps a family stabilize their living situation to avoid possible eviction or termination of utilities and resume bill payments on their own.

**\$14.66** / WEEK

**REDUCING THE BURDENS OF FINANCIAL NEED:** Provides elderly homeowners with repairs to make their residence safe and sanitary. This allows them to remain in their own home and maintains neighborhood property values.

**\$16.15** / WEEK

**FOSTERING ACADEMIC SUCCESS:** Assists a teen with homework help, mentoring, goal setting, and social development with a goal of on-time grade progression and improved grades and attendance.

**\$20.19** / WEEK

**PROVIDING ACCESS TO HEALTH CARE SERVICES:** Helps an individual with limited resources to reach optimum oral health and alleviate pain. This improves their overall health and employability.

Every person has different circumstances and challenges so the monetary amounts listed are average costs based on feedback received from our partners. Not every situation can be addressed by the amount listed.
